

College Student Investigators 2008-10: APPLICATION FORM

Name: _____

Local Address: _____

Phone Number(s): _____

Email Address: _____

Year: _____

Major: _____

In the space below, please describe your level and experience in computer programming. List specific computer platforms, programming languages, and software packages with which you have experience and describe your level of proficiency.

Describe your interest and background (if appropriate) in planetary science or astronomy. What do you hope to gain from this internship? (You may attach a separate sheet to answer this question if you prefer)

Please submit this completed form, along with at least one letter of reference, an unofficial transcript, and your resume to Dr. Nancy Chanover, Astronomy Department, MSC 4500, NMSU. Applications are due by Wednesday April 30, 2008.
